

Master's Degree Program
PUBLIC ADMINISTRATION

Emphasis: **Government Management**

ABOUT THIS DEGREE PROGRAM

The Master of Public Administration (MPA) program focuses on concepts and skills needed to effectively manage organizations operating outside of the traditional business environment.

The MPA program requires successful completion of 39 semester credit hours, and offers students a choice of two emphases: government management and healthcare management. Students must declare an emphasis prior to graduation; successful completion of an emphasis is noted on transcripts. Total program length varies based on the number of courses taken per eight-week session.

Emphases offered within the MPA program:

- Healthcare Management
- Government Management

TECH PATH

We've put technology at the core of this program. With TechPath, you'll gain a technology foundation through our experiential learning approach and build the applied tech skills that you'll need to function in the tech-driven business world. You'll also work through real-world business scenarios to be better prepared to tackle modern business problems.

ACCREDITATION MATTERS

Keller's Master of Public Administration program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met the standards of business education that promote teaching excellence.

GOVERNMENT MANAGEMENT EMPHASIS

If your professional goals include lending your managerial expertise to city, county, state or federal governments, the MPA with Government Management may be right for you.

Graduates of DeVry University's Keller Graduate School of Management Public Administration program with an emphasis in Government Management may consider careers in areas such as regulatory affairs and compliance, social and community service management, or administrative services management to name a few.
