#### CAPSTONE

MGMT601 MBA Capstone

\* Earn your master's and get a Graduate Certificate along the way. These six courses make up the Project Management Graduate Certificate, which is embedded in this program, allowing you to leave with two credentials in one.

Management allows you to tailor your courses to match your interests and career goals in this field. In addition, you can gain practical experience that can be applied to the demands of a project management business setting, including professional communication, corporate team building, cost estimation and business analysis competencies.

## TECH PATH

We've put technology at the core of this program. With

TechPath, you'll gain a technology foundation through our experiential learning approach and build the applied tech skills that you'll need to function in the tech-driven business world. You'll also work through real-world business scenarios to be better prepared to tackle modern business problems.

### **ACCREDITATION MATTERS**

Keller's Master of Business Administration program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met standards of business education that promote teaching excellence.

The Master of Business Administration, when completed with a concentration in project management is accredited by the Project Management Institute's Global Accreditation Center for Project Management Education Programs (PMI/GAC).

ACBSP
